Company Reg: 2009/126293/23 **VAT No:** 4700287032

WE GRAPPLE FOR THE BEST

All About Client Satisfaction

Shilu Trading Enterprise is a diverse company with services spanning IT, Stationery, Silviculture, Oil & Gas, HVAC and more — yet one thing never changes: our commitment to client satisfaction.

We provide clear answers to the most challenging technical problems. Our technical expertise, practical experience, technological resources and extensive diagnostic and analytical capabilities empower us to deliver comprehensive, efficient solutions across dozens of industries.

Our team handles large and small-scale projects with diligence, accuracy and discretion — recognised for professionalism, precision, response time, and scientific contribution to the industries we serve.

Mission, Vision & Values

Mission

Dedicated to providing effective, efficient services that help grow our organisation and everyone in it — using innovative methods that don't undermine but improve satisfaction and integrity.

Vision

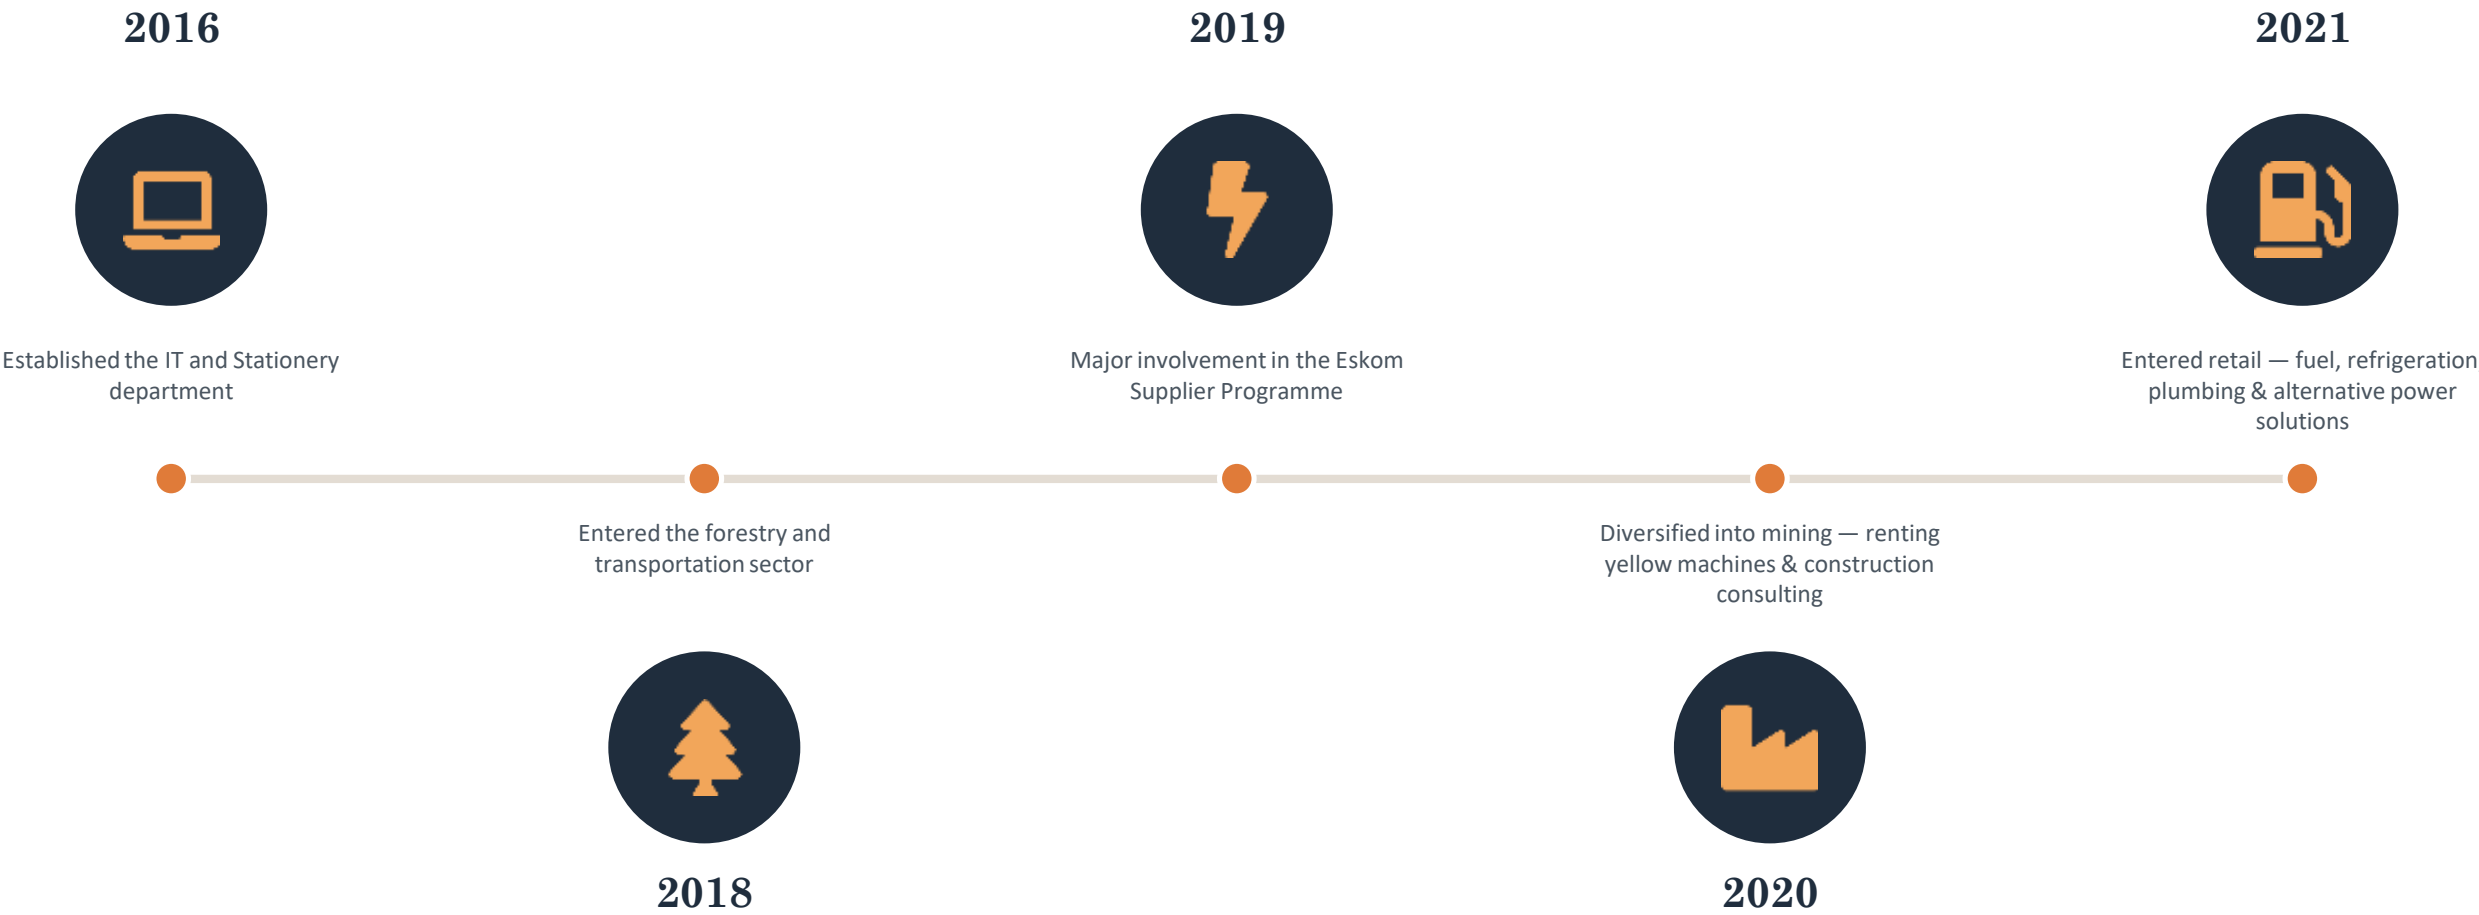

We are a business that respects and grows our human assets. We seek to create more opportunities that will enable Shilu Trading Enterprise to be a source of growth in every province we touch.

Values

Within every sector our organisation embarks in, we remain responsible, accountable and effective in every project we undertake, from first contact to final delivery.

OUR TEAM

Strength in Expertise

20

Full-Time Staff

10

Part-Time / On-Call Staff

Built on In-House Expertise

We have enjoyed constant growth thanks to the excellence of our team and our reputation for delivering superior results at competitive rates — by putting our extensive in-house network of experts to work, instead of hiring outside consultants.

Even through the challenges of the Covid-19 pandemic, we continued to grow — and we still aim to increase our staff complement as the business expands.
